

Protect Yourself from Debit Card Fraud

Although fraud is not always preventable, there are many techniques and multiple tricks to keep you safer.

- Sign up for debit card alerts by clicking on the banner on our website.
- Be careful who you give your number to. Only give it to trusted merchants, and don't lend your card to anyone.
- Shred your cards and sensitive documents when you no longer need them.
- Be aware of phishing or online gimmicks. Your credit union will NEVER ask for your personal information in an email. If you receive a message supposedly from your credit union or other service, do not click the links in the email – it may take you to a fake site.

If your card has been lost or stolen, call our 24-hour line at (800) 523-4175.

Making Home Improvements? Save Some Cash!

Home improvements can be costly, but with good planning – and a consideration of your skills and free time – you can most likely save a good chunk of cash! Here are some tips:

- › Evaluate how much of the work you can realistically do yourself.
- › Set priorities. Decide what is critical and what isn't. You may find that simple changes can alter the feel of a room without overhauling the entire space.
- › Consider less costly alternatives to project details – such as stock cabinets instead of custom ones.
- › Plan everything ahead of time to avoid making changes once the contractor has started working.
- › Get a handful of quotes from different contractors. Rates vary widely due to factors like contractors' schedules, their distance from the job and the time of year.
- › Try to schedule your project for an "off" time of year. For instance, schedule your central air installation in winter, not summer.
- › Use the equity built up in your home to fund improvements with a home equity line of credit from NYTEFCU!

A home equity line of credit from NYTEFCU is an affordable way to finance any project, and with a rate that varies with the Prime (5.50% APR*), you'll be saving on interest. The credit union pays closing cost on a Line Of Credit (LOC) up to \$50,000. **Just call (212) 354-0351 ext. 112 for complete loan details!**
